

# Spanish Song

Arr. D. Hoge

To play Spanish Song, hold the first string down at the indicated fret.

Then, add the right-hand pattern using free strokes with your “a,” “m,” and “i” fingers.

Your “a” finger will be playing the melody on the first string.

Your “m” and “i” fingers will be playing the accompaniment (or harmony) on the second and third strings.

- Use your “m” finger to play the open second string.
- Use your “i” finger to play the open third string.

End Spanish Song by playing a thumb sweep across the treble strings.
